Minimize manual data entry with the Socket CHS 7Ci, a portable 1D barcode scanner certified by Apple for the iPad, iPad mini, iPhone and iPod touch. Small, lightweight and comfortable to hold, the CHS 7Ci connects wirelessly to the latest smartphones and tablets and can scan barcodes printed on labels or displayed on device screens. It's ideal for retail point of sale, inventory management, and other mobile scanning applications.

Features

- Easily connect to a wide range of Bluetooth enabled smartphones, tablets, notebook and desktop computers
- Certified by Apple for iOS devices
- Also compatible with Android, BlackBerry, Windows
- Small and lightweight: 60% lighter than the iPhone 5
- Long 19-hour battery life lasts a full work shift
- Easy to connect - Just scan an on-screen barcode to quickly pair devices*
- Ergonomic - Fits perfectly in the hand for comfortable use over extended periods
- Wearable - Includes lanyard / beltclip for convenient access wherever you go
- Enjoy wireless freedom with long-range Bluetooth connection of 30 ft (10m)
- Reads all common 1D / linear and stacked barcodes up to 20" (51 cm) away
- Bright colors (yellow/ red/ blue) enables corporate branding/personalization and is easy to find in busy work environments
- Quickly open/close Apple IOs on screen keyboard by pressing a button
- No software installation required - use Bluetooth HID mode to connect like a wireless keyboard
- Advanced functionality and scanner configuration supported in Bluetooth SPP mode with SocketScan 10 keyboard wedge software

(included)

- Warranty: 1 year for CHS, 90 days for Accessories

**Requires installation of SocketScan 10 software for Android / BlackBerry / Windows or iOS app developed with SocketScan 10 SDK.*
