Description

## ELITE PERFORMANCE, ELEGANTLY CRAFTED

Your store represents your brand. You take pride in its design. The ambiance it creates is a big part of your customer's experience, and you've worked hard to make sure they feel it the moment they walk through your doors. With the DS4800 Series, you can extend that customer experience right to your POS.

This innovative barcode scanner offers style without compromise, marrying impressive design and leading-edge technologies with the enterprise reliability and functionality that you expect from Zebra. The DS4800 series — elite performance, elegantly crafted.

- ### High performance scanning meets premium design

  The DS4800 Series offers the best of both worlds — scanning capability and chic consumer styling. The DS4800 Series will not only impress your shoppers, it will keep lines moving at the POS.

- ### Customisable

  Order a custom design that will complement your décor and promote your brand — the cover can be printed with a pattern or a solid colour along with your logo. In addition, you can create your own unique scan tone.

- ### Innovative and flexible scanning experience

  Choose any combination of visual, audio, or physical decode feedback to meet the needs of your environment. A tap, press or swipe of the capacitive touch trigger offers an individualized triggering experience for cashiers.

  ### DS4800

The DS4800 Series brings a new level of style to your POS. This easy-to-use scanner can complement the most sophisticated, fashion-conscious decor.
