

LS3408-ER Handheld Corded Scanner

The LS3408-ER handheld corded scanner captures 1D bar codes in the harshest of conditions — even when labels are at varying distances. Featuring the widest working range available, it reads labels as far away as 45 feet and as close as .25 inches. This scanner is ideal for warehouse and manufacturing facilities, with an ergonomic design that makes scanning comfortable during long shifts. Multiple on-board interfaces to ensure compatibility with different hosts.
