Description

COOL CONSUMER-STYLING ON THE OUTSIDE — PURE INDUSTRIAL DESIGN ON THE INSIDE

Empower your associates to deliver service that will impress today's demanding and technology-savvy customers with the MC40. Zebra offers a cool, sleek design that rivals the most popular consumer-style products on the outside and is pure business on the inside — a choice of Android operating systems with Zebra's Mobility Extensions (Mx), enterprise-class durability, security and a comprehensive set of features including advanced barcode scanning, push-to-talk and an intergrated magnetic stripe reader.

The result? Associates can look up the answer to practically any product question on this handheld mobile computer, present product

comparisons to help with a buying decision, place an order for next day delivery or in-store pick-up and ring up a sale — all without ever walking away from the customer.

- **Real business-class durability**

You get the durability that Zebra is famous for — the MC40 simply works, even if your employees drop it, bump it, use it in a dusty backroom or splash liquid on it. And Gorilla Glass improves the durability of three of the most vulnerable features — the display, the scanner and camera-exit windows.

- **Android™ fortified for the enterprise**

Choose Android Lollipop, KitKat, or Jelly Bean operating systems, both with Mobility Extensions (Mx), a layer of features that transform Android from a consumer operating system (OS) to a true enterprise class OS.

- **Powerful application performance**

A 1-GHz processor, 8GB-Flash memory and support for 802.11a/b/g/n/d/h/i/k/r wireless LAN provides desktop-like speed for demanding applications.

ALL THE FEATURES YOU NEED TO DELIVER THE HIGHEST QUALITY CARE

Improve patient safety, the patient experience and healthcare staff productivity with the fully-featured pocket-sized MC40-HC. Your patients chose you as their healthcare provider. In order to keep that patient, you need to deliver the very best in care.

And, delivering the best care possible requires healthcare staff to have right-now access to whatever information is required to not only take instant action – but to take the right action.

- **Dimensions**

5.66 in. H x 2.87 in. W x 0.79 in. D
143.91 mm H x 72.8 mm W x 20.1 mm D
