Description

### Best Selling Scanner

The affordable Symbol LS2208 handheld barcode scanner provides fast, reliable scanning in an ergonomic, lightweight form. The wide working range—from near-contact to 17 inches — makes this device ideal for retail, hospital, education or government settings. Multiple on-board interfaces ensure integration with a variety of host systems.

- **Class-leading range combines with high density barcode support**

Workers can capture the everyday 13 mil UPC barcodes on items over 25 in (63.5 cm) away, and the high density barcodes common on small retail items – all in one device.

- **Deploy in every corner of the world**

With support for 97 international keyboards, the LS2208 is ready for operation in your country, right out of the box.

- **Durable construction**

With its patented single board construction, patented frictionless liquid polymer scan element, scratch resistant tempered glass exit window and a stringent drop and tumble specification, the LS2208 delivers reliable all-day, every day operation.

#### **OUR BEST SELLING HANDHELD SCANNER**

The LS2208 is designed for continuous usage all day, which significantly reduces downtime and repair costs. It provides accurate, first-time scanning. And since it is always ready for the next scan, the LS2208 can shorten check-out lines, improve customer service and increase productivity.

- **Dimensions**

6 in. H x 2.5 in. W x 3.34 in. D

15.2 cm H x 6.3 cm W x 8.4 cm
