

Zebra GX430t Desktop Label Printer

The best-in-class GX430t thermal transfer printer offers the widest range of features, 4 inches per second print speed and 300 dpi resolution to meet all your low- to medium-volume printing requirements. The GX430t has a sleek and compact design, boasts the easiest ribbon loading system on the market, and supports a variety of applications and industries. The GX430t comes standard with EPL and ZPL programming languages and triple connectivity for easy integration into existing systems. For additional flexibility, 10/100 internal Ethernet is also available. Well-suited to any industry and with options such as an adjustable media sensor, cutter and peeler, the GX430t desktop printer is a smart investment that's always a perfect fit.
