The Socket Bluetooth Cordless Hand Scanner (CHS) 7Qi brings 2D and 1D wireless bar code scanning without sacrificing performance, making the CHS 7Qi an excellent general purpose data collection solution for the mobile workforce. Certified by Apple for iOS devices. Available in Grey, White, Yellow, Red, and Blue Colors.

Minimize manual data entry with the Socket CHS 7Qi, a portable 2D and 1D barcode scanner certified by Apple for the iPad, iPad mini, iPhone and iPod touch. Small, lightweight and comfortable to hold, the CHS 7Qi connects wirelessly to the latest smartphones and tablets and can scan barcodes printed on labels or displayed on device screens. It's ideal for retail point of sale, inventory management, and other mobile scanning applications.
