Description

## Dolphin 99EX Mobile Computer Features and Benefits

Reduces total cost of ownership by providing a turnkey remote device management solution that easily manages and tracks usage of installed devices

**Superior Durability:** Incorporates an IP67-rated design that withstands multiple 6 feet drops to concrete and 2,000 1 meter tumbles, resulting in a lower total cost of ownership and decreased downtime for mobile professionals

**Shift-PLUS™ Power Management:** Enhances productivity by powering real-time wireless and multi-media applications continuously for a full shift, eliminating the need for employees to carry spare batteries or chargers

**Adaptus® Imaging Technology 6.0:** Enables multi-functional data capture by providing fast scanning of linear and 2D bar codes with excellent motion tolerance, as well as digital image and electronic signature capture

**Fast and Reliable Wireless Connectivity:** Features leading wireless technology, including a software-definable radio that allows on-the-fly

switching between GSM and CDMA networks, as well as 802.11n Wi-Fi, enabling faster and more reliable connections, and lower device provisioning and deployment costs

**Optimal Combination of Performance and Usability:** Improves ease of use and worker efficiency with a large, outdoor-viewable screen, multiple keypad options, a super fast CPU and smart sensors

**Optional Remote MasterMind® Software Package:** Extends mobile workforce capabilities and reduces total cost of ownership by providing a turnkey remote device management solution

**Optional Service Made Simple™ Service Plans:** Offers comprehensive, hassle-free protection on the device investment for up to five years after purchase
